

Dual Dome/Bullet Adapter

Part # SP-DualParaMount

This adapter fits onto any Strong Poles Accessories that have a 1-1/2" NPT Fitting (examples: Fly-Out, Reacher, Parapet Mount, any PTZ Mount with 1-1/2" NPT fitting).

The circle plates on each side can hold a variety of different cameras, such as: 180 degree Panoramic Cameras, Bullet Cameras, Dome Cameras, Sensors, etc.

The body of this attachment has a removable door and a handy Junction Box for wiring and cables.
