

2 Foot Arm

Part # SP-2FTArmGusset

This arm takes your cameras and attachments out to 2 feet from the pole or wall. It can be added to any 4" Square Pole, or to any SteadyMax Pole with a Pedestal Mount or mounted directly to a wall.

The Flourish scroll is optional, and dresses up this mount when used indoor or outdoor.

The 2' Arm will support any PTZ, Camera or Accessories that fit onto the 1-1/2" NPT fitting. Very stable. 24' long with 2" square tubing and 4" long 1-1/2" NPT Pipe (dimensions listed in Additional Information below is shipping box size)
